

SALMAN HAIDER

Finance and Sales Administrator

Salman Haider joined Forrest & Company in August 2018, as our Finance and Sales Administrator.

Salman comes to us with a wealth of experience. He has a Bachelors of Commerce in Business Management from Ryerson University with a major in marketing management and a minor in finance. Recently, he worked with Sutton Special Risk processing claims, reimbursements, and administrative support work, as well as at CAM-H doing invoicing, vendor communication, and database work. He also has a Canadian Securities Certification through the Canadian Securities Institute. He is an excellent asset to us in this role and brings knowledge and insight to our sales and finance processes.

Sal supports the Manager of Support Services, enabling the efficient processing of all financial aspects of the business, including payroll, associate and vendor payments, and taxes. He is also our in-house CRM system administrator, and supports our marketing functions as well.
